RDB Consulting

Dear Jaro,

Letter of Appreciation

This letter serves to confirm the partnership between RDB Consulting and Convenient Tennis Coaching Academy.

Convenient Tennis Coaching Academy strives to provide quality tennis coaching to children and adults. Our goals involve shaping young children from all backgrounds into sports stars of tomorrow.

The contribution of R10,682.98 will be used to introduce the game to disadvantaged children, and to purchase clothing for both coaches and players to wear at national tournaments, marketing, advertising. We hope to introduce the game to a number of disadvantaged groups in and around our coaching venues so that our passion for the game will resonate to those who do not know the game.

I would like to thank RDB Consulting for your contribution to our programs and enabling our organization to be a success.

Yours Sincerely

Danie Kruger
